This man has been a great influence on us as students at R.H.S. He has touched us with his friendship, good humor and outstanding school spirit. Whether dealing with academics or sports, he has truly helped us all in some special way. In years to come, we will look back and remember him for his eminent leadership and dedication. With great pride and admiration, we, the senior class, dedicate the 1980 Wildcat to

The day is over, our job is done,
As we sigh a relief and watch the setting sun.

Our heads are hurting, our fingers ache,
Another day our teacher dictates.

Today is last, the last of the days,
We're off to better ideas and much better ways.

It's been a blast, I really did love it,
But from now on you can

Rison Wildcat Marching Band

The Rison High School Marching Band precisely entered their half-time performance with "Enter the Flags." They whirled into formations with some of the favorites such as "Children of Sanchez." "Theme from Shaft," and "Macho Man." As they ended their performance with the "Fight Song," their heads were held high and their hearts were filled with pride. The majorettes attended camp at Kilgore College again last summer. They returned with new dance twirls and tricks. For an extra touch of sparkle, tiaras were added to top their uniforms. With knives slashing, fire batons flaming, and batons whirling around their bodies, they smiled with joy as the crowd gave a round of applause. The flag corps attended camp at Kilgore College this year. This was the first year for Kilgore to have camp for flag corps and it was the first time for many of the members of the flag corps to twirl.

"Memories" are all that half court ball is to the Lady Wildcats. This is their first year playing 5-man ball. "Stranger" was their first impression, but through hard work, dedication, and team effort, they put it all together . . . and it's "Lady's Night" when they take the court.

"The Main Event" — The attendance this year has been spectacular! The student body is to be commended for its effort. Attendance, teamed with the faculty, has really fired-up academics. Academics is definitely on the move!

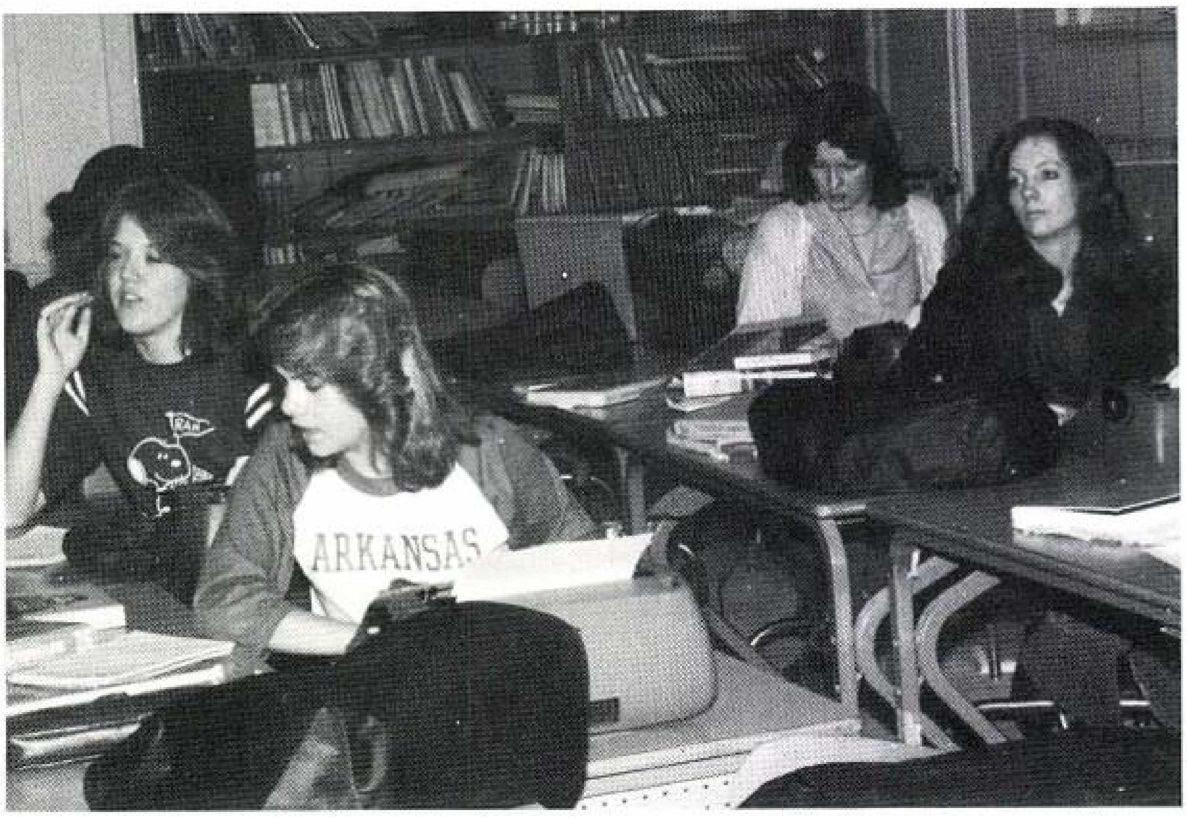

This year we were "Knee Deep" in activities. Participation was great Homecoming week. We had the most floats in the parade ever! Active clubs, dances and classes intermingled with school spirit made this year the best yet.

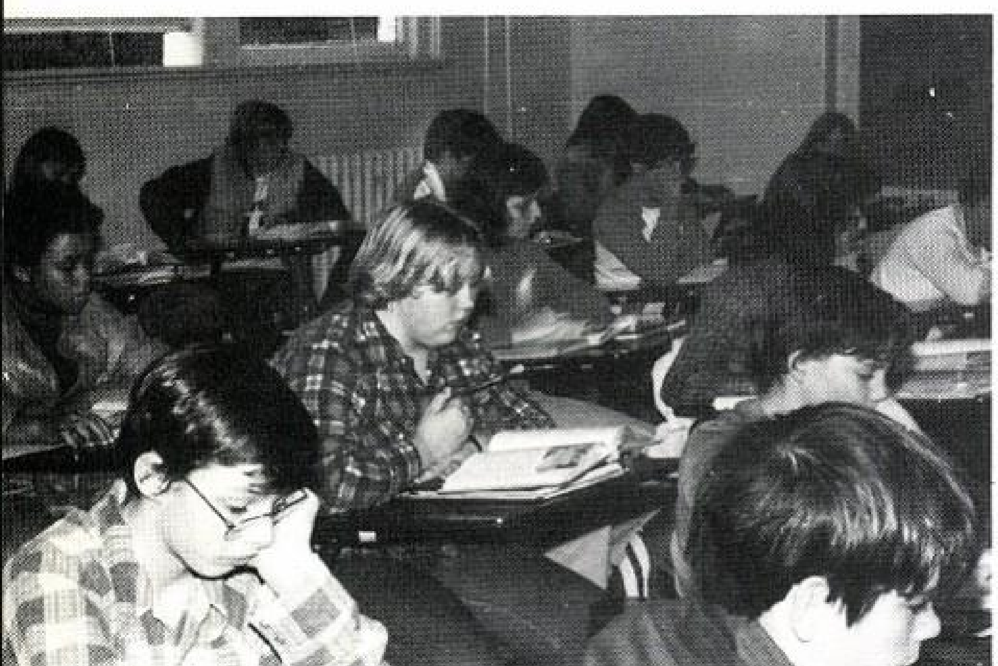

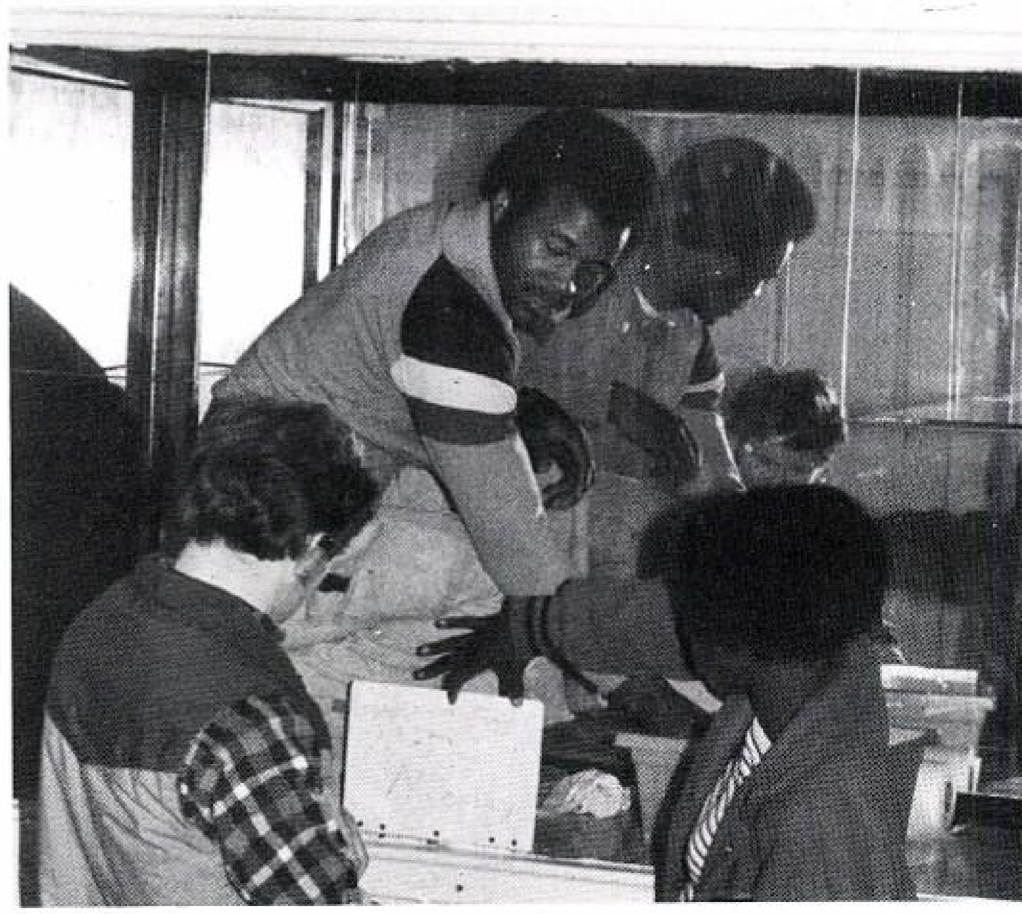

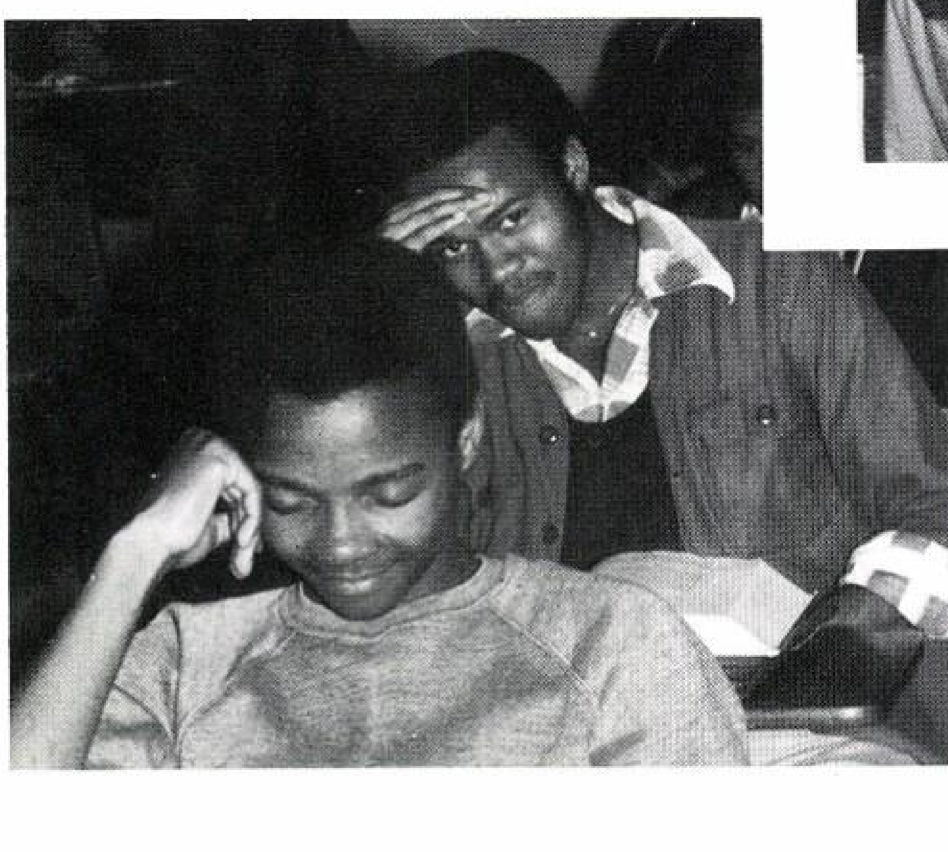

"We Ain't Licked Yet" was the chant of the mighty Wildcats! Their seasons may not have been what some expected, but one thing is certain, R.H.S. is on the "Rise" and "Ain't no stopping us now!"

As the last song of the dance played, we went "Back Down Memory Lane," reminiscing the events of the night and school year. We only saw the good as we do now. "We Are Family" here at RHS; though we don't all move to the beat of just one drum, music is a language we all understand! We feel that this annual is a gold record of the times shared at RHS.

Not too many years ago, Georgia Pacific made only plywood and lumber. And not much more. But now, there isn't much G-P Doesn't make. These are just a few of the many products G-P makes, and by developing more products for today, with an eye on the needs of tomorrow, G-P will continue to grow, which means more jobs. And more dollars here is Ark-La-Miss.

John,
It's been
nice going to
school with you. We've had
this year. We've had
a lot of fun together during
The Lib. Club con. and at lunch
and everything. All in All its been
a pretty good year. It doesn't seem
like we only have two years left to
go. When we graduate maybe we'll have
some good memories to look back on at old
R.H.S. Maybe we can make it these next two
years without our Grade point Dropping too far. Even though
Rogers is trying his hardest to flunk us. Good luck forever
friends always
